SCE Officer Spotlights

Emily Lin – Alumni Relations

Emily Lin resides in Temecula, California when she is not in SLO. As a 4th year CE student with a concentration of transportation, she is very active in SCE as well as ITE, CSA and TVSA. She is very excited for the upcoming career fair and encourages all to attend. Last summer, Emily interned with W-Trans in Santa Rosa, performing field investigations, crash analysis and research for safe routes to school. Although she mostly worked from home, she was able to get a few days in the office towards the end.

Emily Novak – Publicity

Emily Novak is a 4th year CE student from La Crescenta, California. When she is not studying for her classes, you can spot her working at the REI in San Luis Obispo. Also, Emily is a proud member of Chi Epsilon and enjoys hanging out with friends. Emily is looking forward to an upcoming skiing trip to Mammoth Mountain where she will shred the slopes. Another thing she looks forward to is winning PSWC this year!! Emily is a great resource in SCE and very genuine.
