SCE Officer Spotlights

Sidney Tran – Membership

Sidney is a 4th year CE Major concentrating in structures. She grew up in Orange County. Since the age of 5, she has been dancing competitively. Currently, she is on the Cal Poly Dance Team. Sidney has internship experience in the transportation field, but now has a part-time job as an assistant at Cannon. When asked what she is excited for, she mentioned her technical electives and live in and explore SLO with her roommates.

Isabell Chavez – Philanthropy

Isabell is a 3rd Year CE major wishing to discipline in structures. Growing up in Los Angeles, she and her family are huge Dodgers fans, causing a rift among the Giants fans in SCE (including the author of this newsletter :D). As philanthropy chair, she is excited for BAE Day on Jan. 30. In her free time, Isabell enjoys painting landscape and reading historical fiction. She is currently on the PSWC Design-Build team and hopes to win. You can catch Isabell at the Mentorship event this Friday!
