SCE Officer/Member Spotlights

Jonah Ng – Concrete Canoe Jr. Mix Captain

A native of Torrance, California, Jonah prides himself in his work as a CE student.

Jonah wishes to concentrate in either structures or construction. In his free time,

Jonah likes to play soccer and run. This summer, Jonah will start an internship with

Build Group. When asked he said, "I'm excited to finish out this zoom year and have in-person classes next year!" He also claims that Chelsea is winning the UEFA champions league. *

A Note from The Editor

It has been a privilege and honor to serve this year as your Newsletter Editor for SCE in the 2020-2021 school year. I wish the next Editor the best of luck as we transition back to in person events in the fall. I look forward to helping whoever wins transition smoothly for another successful year!
