# SCE Officer Spotlights

## William Andrews – Recording Officer

**Will is a passionate and friendly member and officer of SCE concentrating in transportation. He is taking on this virtual environment with a positive and energetic attitude aiming to reinvent what it means to engage in clubs and organizations when remote networking is the only feasible option. Will is a member of ITE, XE, and SWE as well. If you ever need anything, Will is always dependable and helpful. Catch him reading history and fantasy books and playing video games.**

## Blake Thomas – Newsletter Editor

**Blake is a wonderful writer and illustrator (I mean look at this newsletter). When he is not making masterpieces for SCE, you can probably catch him at the golf course or at the beach surfing. Did you know he also has played guitar for 12 years and counting? Blake is looking forward to participating in the Mentorship Program as well as the other various opportunities that SCE has to offer!**
