# Officer Spotlight

**Chris Aslo**  
Executive Vice President

Meet your SCE executive vice president for this year, Chris! Chris is a 4th year, concentrating in Construction Management. As vice president, Chris is primarily in charge of organizing, coordinating, and planning the CE and ENVE Department Career Fair in Winter Quarter. He enjoys this position because he likes interacting with professionals and helping other students find internships. He has had also held positions with SCE as Conference Coordinator and Social Director during the last two years. In his free time, Chris enjoys going to the gym, playing basketball, and hanging out with friends.

**Macey Ferron-Jones**  
VP Community Service

Meet Macey, a fourth year and this year's Vice President of Community Service! Macey's role includes organizing community outreach events. A few include WOW, BAE Day, beach clean-ups, and other events with organizations, schools, and firms. A number of these events focus on leading kids in activities related to engineering like building pollutant and earthquake simulations. Macey has previously been involved in outreach committees with both SWE and Chi Epsilon. She is looking forward to in-person events, especially community outreach ones! Macey's hobbies include singing, musical theater, violin, hiking, and canoeing in Morro Bay.
