Officer Spotlight

John Yang
Conference Coordinator

Sarah Sakakihara
Conference Coordinator

Meet your Conference Coordinators this year, John and Sarah! John and Sarah are both second years and are in charge of coordinating and planning for how our chapter of SCE will compete in this year's Pacific Southwest Symposium (PSWS) at UCSD. This includes everything from registration and selecting the teams and their members to transportation and lodging. Both Sarah and John became involved with PSWS (previously PSWC) by competing on technical teams: Sarah on Surveying and John on Engineering X. Both are excited to be more involved in the club by acting as Conference Coordinators and like working together to make it all happen. They both appreciate the community that SCE is and meeting people through the club. Outside of PSWS, Sarah is also involved with Concrete Canoe, Steel Bridge, the mentorship program, and band. Likewise, John is involved with Concrete Canoe and ITE. In their free time, they enjoy sleeping and spending time with friends. John also likes going on runs and Sarah loves cooking with her roommates.

Contact conference.cpsce@gmail.com to learn more about PSWS and how to get involved!
