Interest Form!

# Officer Spotlight

**Olivia Clark**  
Treasurer

Meet your Treasurer for this year, Olivia! Olivia is a 3rd year and, as Treasurer, is in charge of creating the club's yearly budget, approving all reimbursements, dealing with finances for the career fair and club trips as well as communicating with ASI and ensuring their records match SCE's. Olivia likes that her role as Treasurer allows her to operate more in the background while playing a necessary function to the club. She has been involved in the mentorship program previously as a mentee, and now as a mentor. Olivia is also involved with Steel Bridge and MERGE dance club. In her free time, she enjoys ballet, going to the beach, and painting.

**Andrew Rasas**  
Membership

Meet Andrew, a second year and this year's Membership Director! Andrew's role involves all things related to facilitating membership registration. This includes organizing new membership as well as assembling the new member package--the club discount card and t-shirt. It was Andrew's responsibility to find a design for the t-shirt and reach out to local businesses to participate in the discount program. Andrew enjoys being part of SCE as he is able to network and meet people with similar interests. He is also a member of ITE. In his free time, Andrew enjoys skiing, surfing, camping, and traveling.
