Officer Spotlight

RJ Haugen
Mentorship Chair

Meet RJ, a third year and this year's Mentorship Chair! As Mentorship Chair, RJ's responsibilities include working with his committee to plan events and kick-offs and create the mentor-and-mentee pairs at the start of the year. RJ's history with SCE's mentorship program started when he got involved with membership as a first year and then joined the committee his second year; now, he leads the program. He has also been active with concrete canoe, was on the PSWC Design Build Team last year, and is currently an RA. In his free time, RJ enjoys being outdoors, going to the beach, hiking, watching movies, and playing video games.

Jacob Hamada
Publicity Director

This year's Publicity Director is Jacob! Jacob's role involves coordinating with fellow officers to advertise club events across SCE's social media accounts and recording/photographing events. Jacob became involved with SCE as a freshman by participating on the mentorship committee. From there, he held the Sports Director position in his second year and the Conference Coordinator position in his third year. Jacob has also been active with Chi Epsilon as their former president and in ITE as their current president, where he found a passion for transportation engineering. Some of his hobbies include intramural sports, hiking, and spending time outdoors.
