Officer Spotlight

Jennifer Wu
Webmaster

Meet Jennifer, a third year and this year's Webmaster! As Webmaster, Jennifer is responsible for all things pertaining to SCE's website, including updating information and uploading club photos to the gallery section. Her role helps companies in determining who to contact, especially for the career fair. Jennifer joined SCE as a first year and became more involved on the mentorship committee during her second year. She also participated on the sustainability team in last year's PSWC. Outside of SCE, Jennifer is involved in EWB and CSA. In her free time, she enjoys baking, embroidery, brush lettering, and other art activities.

May Kyaw
Alumni Faculty Relations

This year's Alumni Faculty Relations Officer is May! May's role as Alumni Faculty Relations involves staying in touch with alumni. This includes sending out a quarterly newsletter, which summarizes recent events, and planning an annual alumni event. This is May's first position on the SCE Officer Board and she is excited to be more involved behind the scenes. May is active in JSA and served as their Social Chair last year. She also started BurSa (Burmese Student Association) with her friends and serves as their Treasurer. Some of May's hobbies include making jewelry, playing guitar, online shopping, going on long walks, and watching the sunset.
