TIPS FOR SUCCESS

If you attended the career fair last Friday, email the companies that you talked to, follow up. Networking is one of the most important skills you learn in college. Following up proves your interest in the company and improves your name recognition when they go through their applications!

Society of Civil Engineers

Raquel Fujita 2nd year / Membership Director

Raquel's interest in transpo began in high school. Not only is she dedicated to SCE, but is also a member of ITE, Cru, and Hawaii Club! Not only does she manage the membership for SCE, she also designs our merch. Last summer she was able to intern in the transportation division of a CE firm in her hometown.

Favorite meal: Natto or grilled shrimp!

Ryan Hanlon 2nd year / Marketing Director

Ryan is our mastermind behind keeping everyone informed via instagram. One of his main goals within civil is to implement sustainable solutions in communities that can make them more accessible and effective. He attended WSCL as a first year in Anaheim, CA. He is also a member of the climbing club. If you have any interest in rock climbing, let him know!! He's excited to spend his summer in an internship so that he can learn more about which civil engineering path he's interested in following.

TV Show of the summer: The Bear!
